Consideration to approve student, chaperone/teacher, driver daily meal rates for FY2025/2026 and beyond while attending/on CTE trips, competitions, conferences, events, and activities

What: change our current daily meal rates (breakfast, lunch, dinner) to reflect current meal prices for students, chaperones/teachers, drivers while on board approved CTE travel.

When: the meal rates will take effect as soon as the Governing Board approves the requested rate change.

Why: NATIVE District office has seen recently that when it comes to meal rates, the current meal rates are not sufficient in that NATIVE students and staff have to pay for meals using their own funds because not enough funding is provided due to higher meal prices.

Recommended change:

- Current breakfast rate: \$15; increase breakfast meal rate to \$20
- Current lunch rate: \$20; increase lunch meal rate to \$30
- Current dinner rate: \$32; increase dinner meal rate to \$40
